Crime Overview 2024

Queen Creek Police Department

Data is collected from participating agencies on a monthly basis and all charts reflect data processed prior to the current day. The current year does not reflect a full 12 months of data and should not be compared to previous years.

The data on this page is based on data reported in the legacy FBI format (known as "Summary"), which has some limitations. Since 01/11/2022 this agency has been submitting more detailed reports (known as "NIBRS"). As a result, the presented data may not reflect the data exactly as submitted by the agency. For exact reporting information, please contact the reporting agency.
